PYP EXHIBITION

The PYP Exhibition is one of the most exciting aspects of being in an International Baccalaureate school. The exhibition is the culminating, collaborative experience in the final year of the IB Primary Years Programme. Students will explore, document, and share their understanding of an issue or opportunity of personal significance.

This year our year 6 students will be exploring the notion that it is the actions people take can affect the communities and environment of which they are a part.

As this PYP Exhibition is a community experience, if you or your family have connections to guest speakers or professionals with whom our students could interview, or use as a primary source please contact the Year 6 teachers - whitmell@ascot.ac.th or sas@ascot.ac.th

Introduction of the MYP

It is my absolute pleasure to announce that Ascot will officially be entering the candidacy phase for the IB Middle Years Programme. Year 7 students in 2022 will be the first group of Ascot students to undertake this learning framework.

This is an exciting new phase for the school as we move closer to being a three programme IB continuum school.

Mr Mark Allen and Mr James Guthrie will be hosting parent information sessions in relation to the MYP as part of the Year 6 Secondary School Preparation Programme.
