

ASCOT
INTERNATIONAL SCHOOL
EST. 1995

12 February 2019

Dear Parents,

It is my great privilege to announce to you that **Ascot International School is now an authorised IB World School for the Primary Years Programme (PYP)**. Receiving this authorisation is a tremendous achievement for Ascot, and it puts us into a select group of only four schools in Bangkok offering multiple International Baccalaureate programmes.

More importantly, the PYP distinction brings Ascot students, families and teachers deeper into the community of IB schools worldwide. As we help to promote IB principles through education and training, we will ensure that our children mature to become global citizens and lifelong learners. These goals have long been central to the Ascot ideology, as made evident by our school's mission statement:

At Ascot students develop according to their needs in an attractive, family environment. The challenging curriculum enables our students to become adaptable lifelong learners in an increasingly changing world. Our intercultural ethos promotes respect for all within the community.

The journey to the PYP has been both exciting and challenging. None of it would be possible without the hard work and commitment from our staff, and of course you, our loyal parents who entrust us every day with your most important assets; your children. On behalf of all at Ascot we look forward to embarking on the next leg of this journey with you.

Yours sincerely,

Gary Booth
Headmaster
Ascot International School
